Hi Charissa,

Thanks for thinking of me. However, I am tentatively scheduled to be at the National NARS meeting that week. If I don't get travel approval for it, I would be happy to attend.

Hi Elaine,

The Coros has not invited us yet even though they have told the PRDC that they would be inviting EPA. I am proposing that we have a coordinating meeting/ call with USACE. I also think it would be good to invite Mary Anne and cc Michael Szerlog (he is already aware of scenario) on the coordination of this meeting.

If that sounds good to you folks, I will go ahead and make the scheduling arrangements.

Any thoughts? Perhaps I could give you a call to touch base?

Thanks!

Cheers,
Charissa

Charissa,

Thank you for asking! Yes, I would be interested to attend. Has the Corps invited EPA directly, or have we been invited through PRDC?

Hi folks,

Any interest and/or availability to attend a meeting on Dec. 5th in Moscow, ID for Thorncreek to Moscow comments. It is being organized by USACE. I am looking into funding but also wanted to coordinate with you folks as it looks like they are interested in folks whom have been involved in past comments too!

Cheers,
Charissa

Ms. Bujak,

The Paradise Ridge Defense Coalition would really like to have the EPA in attendance at the proposed Army Corps meeting. Can you update us on the status, and whether you will be able to attend?

Thank you.

Michaela,

That time and date generally works for PRDC's members. However, before we confirm that date and time, PRDC wanted to confirm that EPA would be able to attend the meeting as well. My understanding is that a member of PRDC inquired if someone from the EPA Boise office would be attending, and the staff member (Charissa Bujak) was looking into travel arrangements. Having an EPA representative at the meeting would be very helpful, given their past involvement and comments. Not sure if there is anything you can do on your end to make sure that Charissa can attend, but any help you can provide would be appreciated.

Thank you.
